

# Case Management: 1 on 1 Support

Work with a specialist in our office, on the phone, or in the community.

## Creating Goals

- Based on your unique needs
- Support in accessing health services
- Employment & Job Training
- Create goals to achieve stability

## Accessing Critical Needs

- Food access and SNAP Benefits
- Transportation access
- Keeping you informed on new resources in the community

# How can we help?

## Navigating Social Service Systems

- Accessing Housing and homelessness support
- Apply for important benefits (WIC, Affordable Housing, DSHS, FCS, ACH)
- Legal aid
- Domestic violence support & resources
- Childcare options
- Engaging with community resources
- Substance use support
- Volunteer opportunities
- Pursuing education opportunities

## Build Skills That Last

- Create budgets and Financial Literacy
- Maintaining your lease/ renters education
- Credit education and savings goal
- Connect with support groups (parenting/ substance)
