

Wondering how working could impact your benefits?

Learn about it today!

What is Benefits Planning?

Benefits Planning helps you understand how work, income changes, or life changes may affect your Medicaid, Social Security, housing, SNAP, or other benefits.

Who is eligible?

Anyone enrolled in Foundational Community Supports (FCS), as well as anyone who may have questions or concerns related to their Medicaid eligibility, state or federal benefits, Social Security, or how employment may impact their benefits.

What kind of help?

- Understand how employment may affect your benefits
- Learn how wages impact your Medicaid or other supports
- Explore ways to increase your income
- Create a plan that supports stability and long-term goals
- Receive ongoing support as your situation changes

Interested in meeting with our Benefits Planner?

1. Visit the Mount Vernon Resource Center.
2. Ask your Employment Specialist or Care Coordinator for a referral.
3. Visit the online referral form and self-refer.
