About Community Action & Spirit of Hope

For more than 45 years, Community Action of Skagit County has been at the heart of supporting our neighbors, helping families and individuals overcome barriers, access critical resources, and build pathways to stability and hope. From preventing homelessness to increasing food security, improving access to healthcare, and empowering people through education and advocacy, Community Action is dedicated to ensuring everyone in Skagit County has the opportunity to thrive.

One of the most meaningful ways to join this mission is through **Spirit of Hope**, our signature annual fundraising event. This special evening brings together community leaders, partners, and neighbors to celebrate resilience and generosity. Guests enjoy dinner, drinks, games, and an inspiring program featuring powerful stories from Community Action staff and clients whose lives have been transformed.
